Directions

- **Airport ➔ Hotels**

In order to get from the airport to the hotel, you can either use public transportation or a taxi. A taxi from the airport to the city center costs about 60€ and may not be any faster than the public transportation system.

In case you want to use the public transportation, we suggest taking the S-Bahn (regional train) from the airport to Marienplatz. At the airport, just follow the white “S” in a green circle. You will be able to take either of the trains that leave from the airport, as they both stop at Marienplatz. At Marienplatz look out for the blue signs with a white “U” which will lead you to the subway. From Marienplatz, transfer to the U3 (direction Moosach / Münchner Freiheit) or U6 (direction Garching-Forschungszentrum / Fröttmaning) to Odeonsplatz (1st stop). Both hotels are in walking distance from Odeonsplatz (approx. 10 min) and directions are indicated on the map below. Follow Ludwigstraße and then turn left into Theresienstraße.

This year we will visit the Christmas market which is located in the center of the English Garden at the Chinese Tower and offers magnificent winter scenery: [http://www.weihnachtsmarkt-chinaturm.de/](http://www.weihnachtsmarkt-chinaturm.de/).

The visit is scheduled for Sunday afternoon and the market is in a 25 minute-walking distance from both hotels (Carlton Astoria and Leonardo Boutique). We will have two parallel meeting points at 5.00 p.m.: one at the lobby of the Leonardo Boutique Hotel and the other one at the lobby of the Carlton Astoria Hotel. However, if you want to go to the Christmas market at a later time, please feel free to join us there. If you are planning to walk, Map 2 shows your way to the Chinese Tower. It is also possible to use the public transportation system. Either bus number 154 (direction Bruno-Walter-Ring) which leaves at University (Schellingstraße 4), or bus number 150 (direction Tivolistraße) which leaves at Von-der-Tann-Straße will take you directly to the Christmas Market. Get off the bus at station Chinesischer Turm.
- **Christmas Market → Welcome Reception**

After visiting the Christmas market, we will walk to the welcome reception together. The reception will take place at our institute (Schackstr. 4, 3rd floor) at 7 p.m. In case you want to walk on your own, please follow the directions indicated on map 4.

It will take approximately ten minutes to get from the hotel to the conference center. We suggest walking down Fürstenstraße from Hotel Carlton Astoria. After crossing Oskar-von-Miller-Ring you will see a small store called “House and Garden”. Keep walking down Kardinal-Döpfner-Straße. At Odeonsplatz turn right into Brienner-Straße. After a few meters, turn left into the small street called Amiraplatz. The Literaturhaus is located at Salvatorplatz 1. Please note that you will first come by the entrance to the Restaurant “OskarMaria”, however, the entrance to the conference center is just around the corner, as shown in the screenshots below.

**Tickets**

For the transfer from the airport to the hotel the “Einzelfahrkarte 4 Zonen und mehr” (single ride ticket) costs EUR 11.60. The same applies for the return ticket. In case you are planning to use the public transportation system frequently, we would suggest buying day passes for each day. On the day of your arrival and the day of your departure, you might buy a “Tageskarte Gesamtnetz” (day pass for the entire transportation system) for EUR 13.00. For Monday, you might buy a “Tageskarte Innenraum” (day pass inner circle) for EUR 6.70.

If you are planning to use the Munich Public Transportation System, we recommend downloading the “MVG-App” in your app store. It is free of charge and will navigate you from your current location to your destination. If you are planning to visit other sights in Munich, the app will help you to get there easily.
